

**Example Ten - Suitable for Open on Two Sides (Two walls) from 25sqm - 49sqm**  
This Document details 36sqm (6m x 6m). Please contact us for drawings of different sized areas

NB: This design does not include a raised platform floor to hide cables. In some venues there may be cables visible on floor

3m high walling supplied white as standard. Colour and print upgrades are available

Each alvove for shelving includes a fitted ceiling. Packages of 30sqm+ receive fitted lights to these ceiling areas

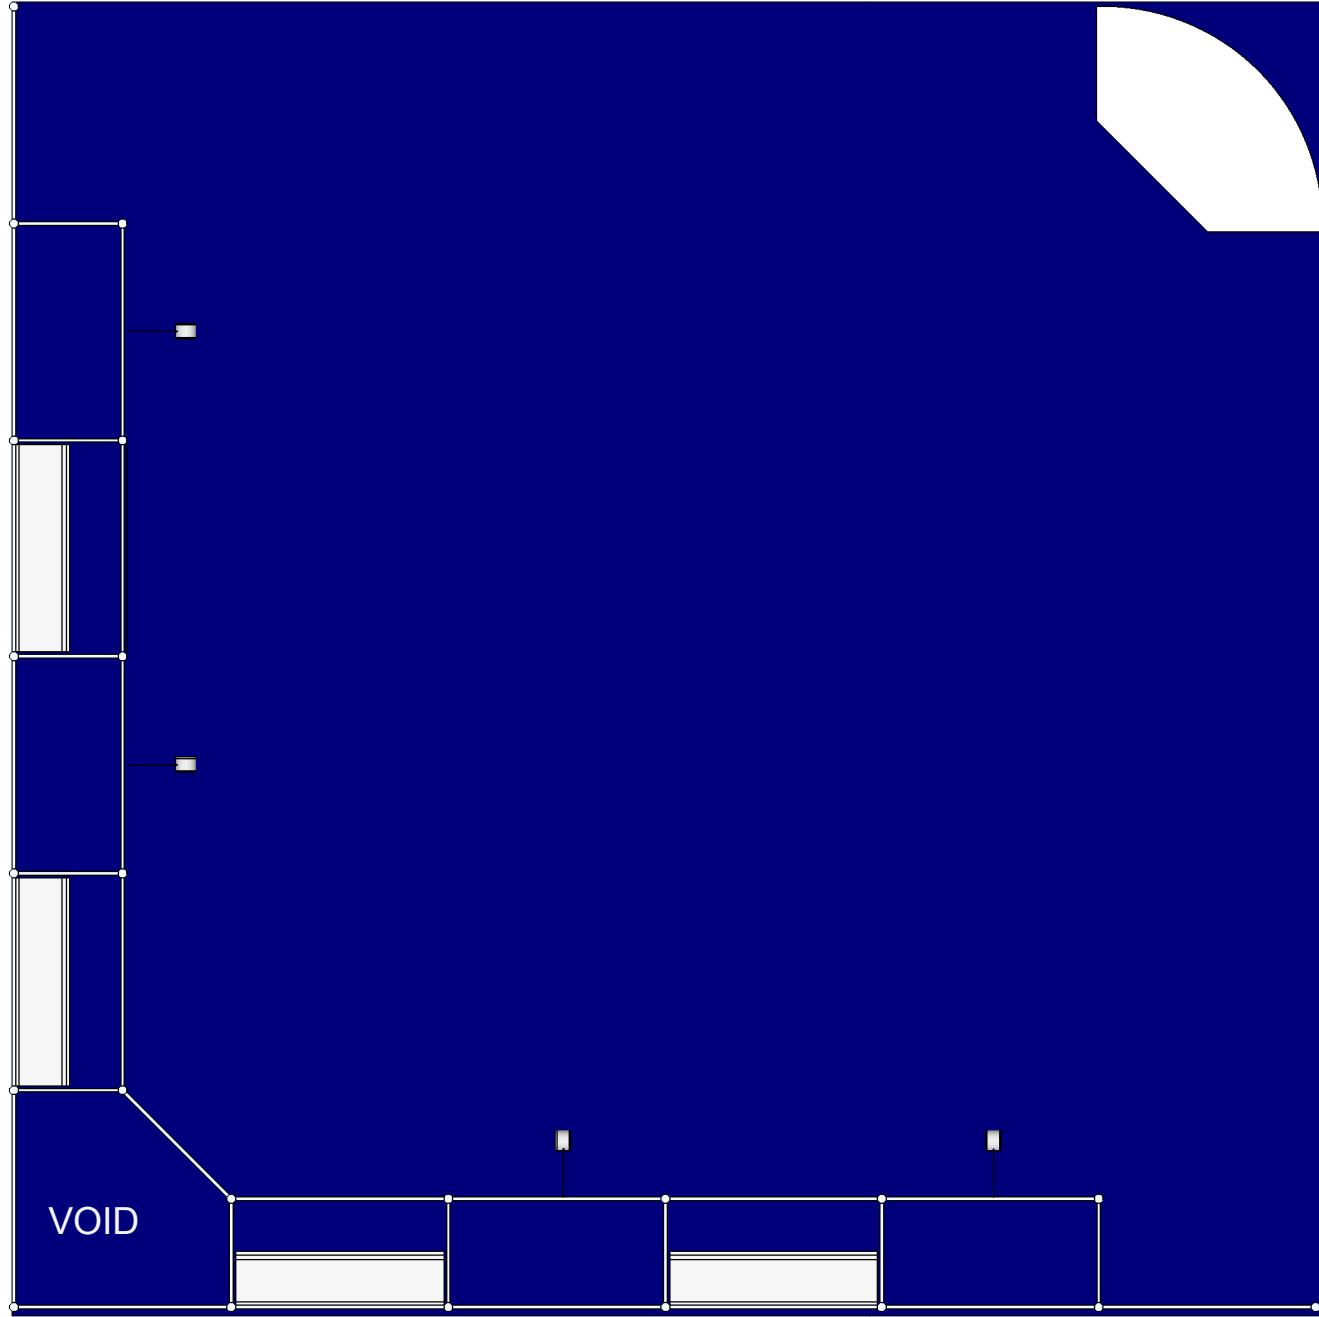

Upgrade this wall to become a door to create a small storage area

Shelves are available as sloping (for books) or flat (for products)

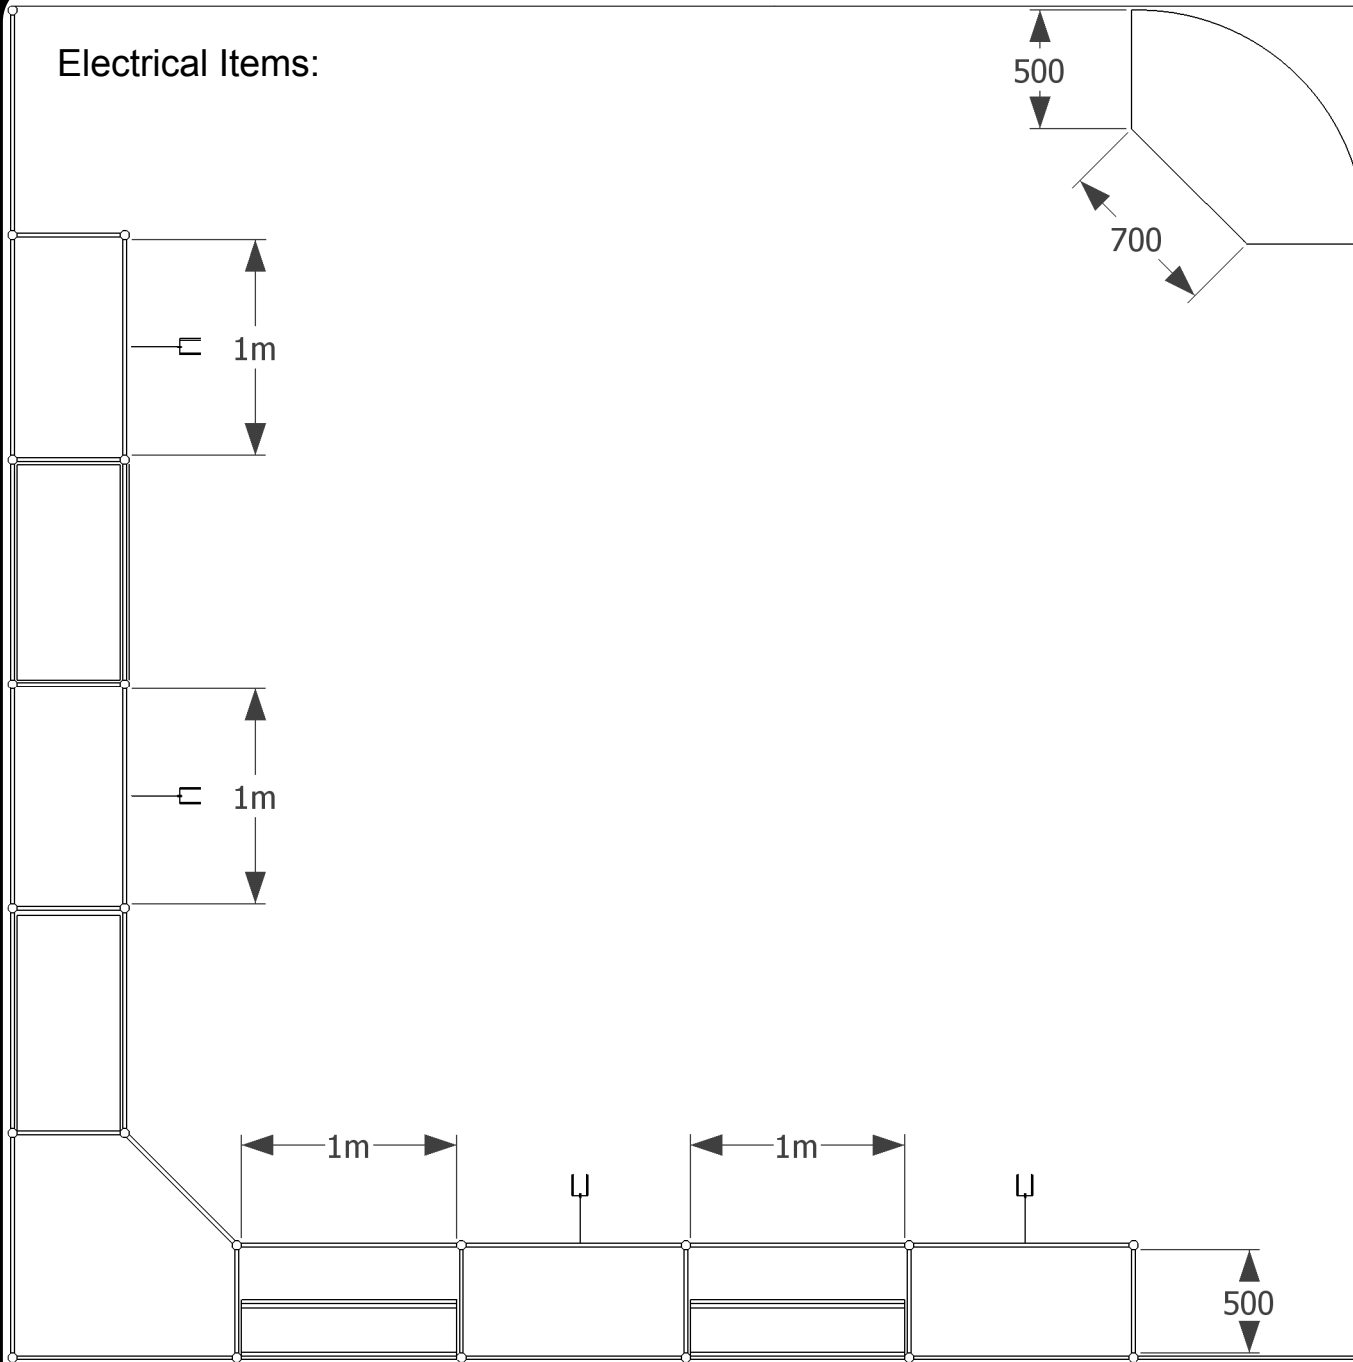

Upgrade these sections to include plasma screens or printed artworks

Packages of 30sqm+ receive a lockable reception desk

Electrical Items:

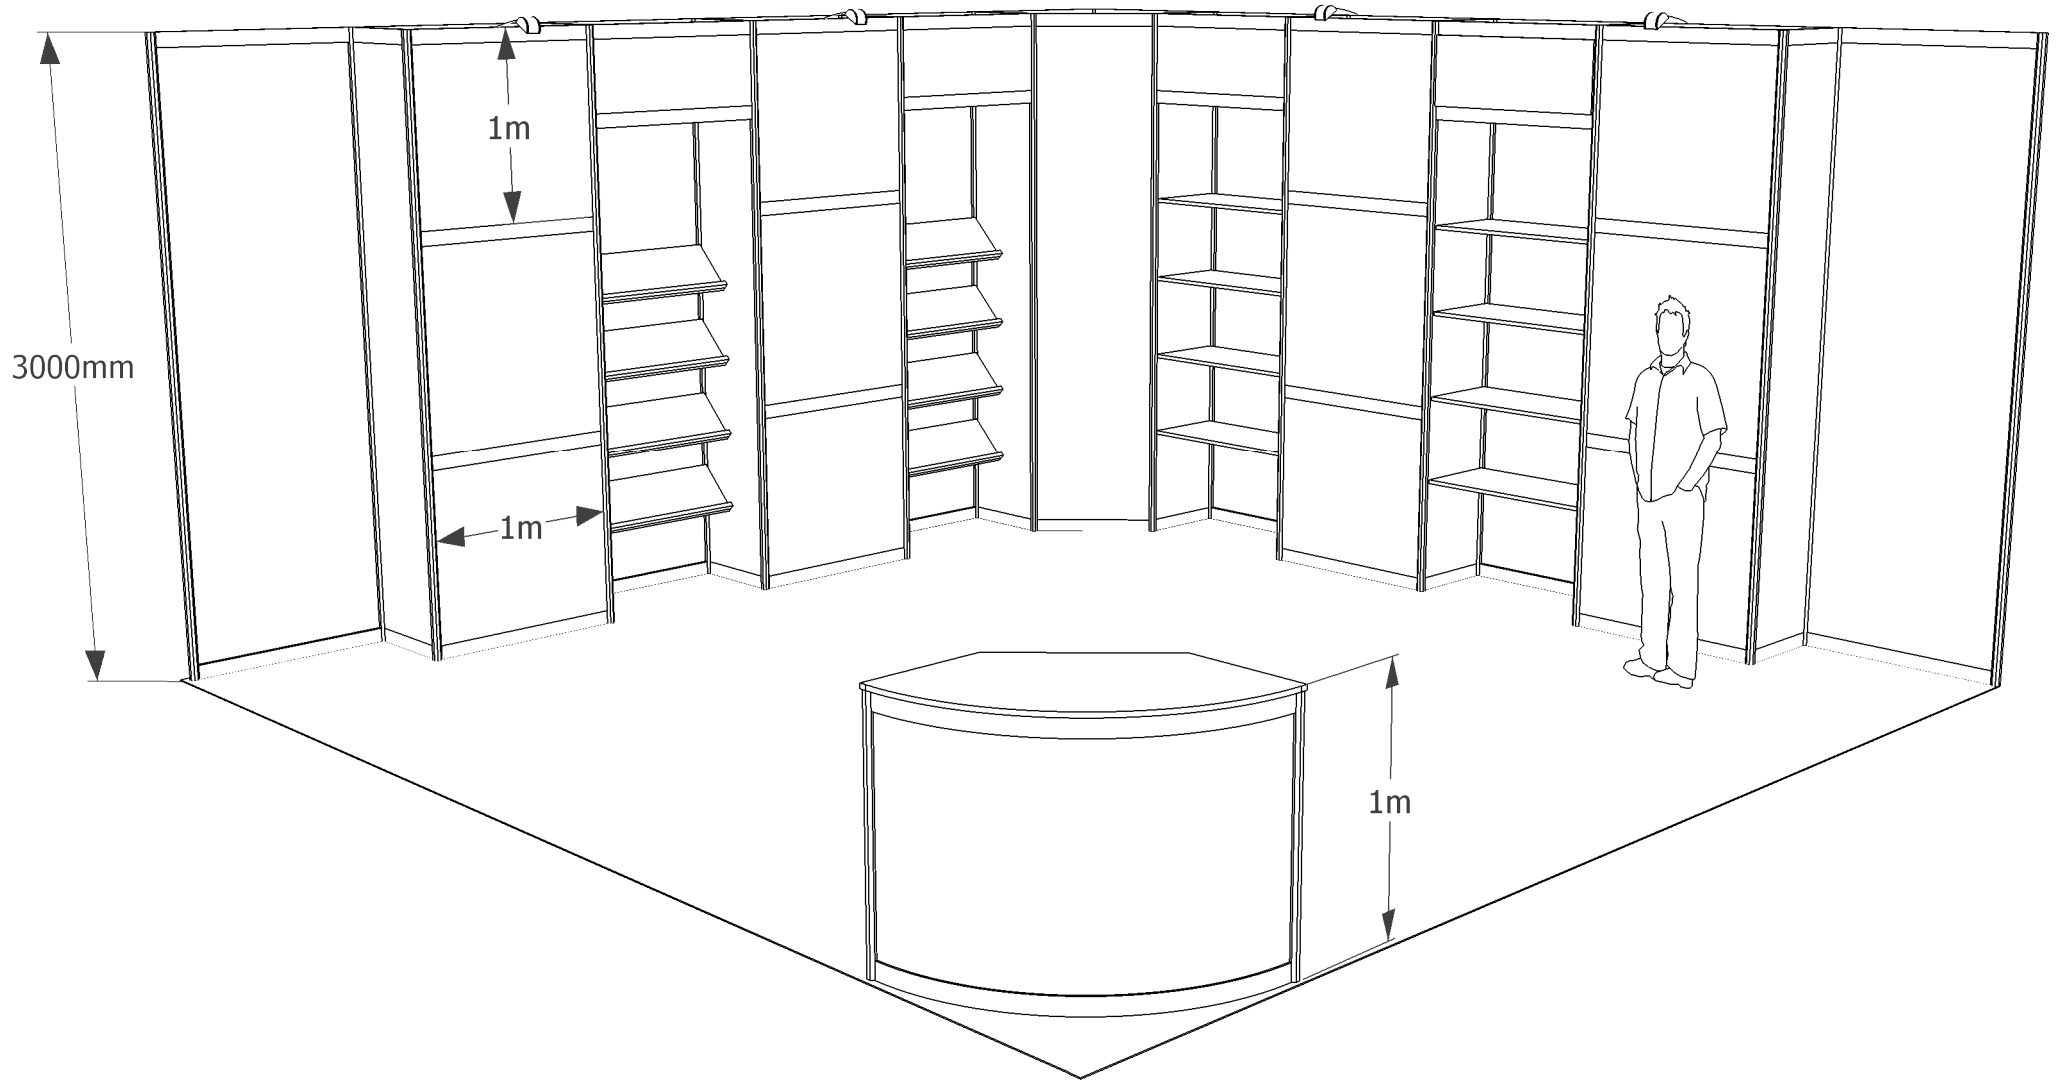

Packages include:

25sqm - 29sqm  
4no Long Arm Spotlights

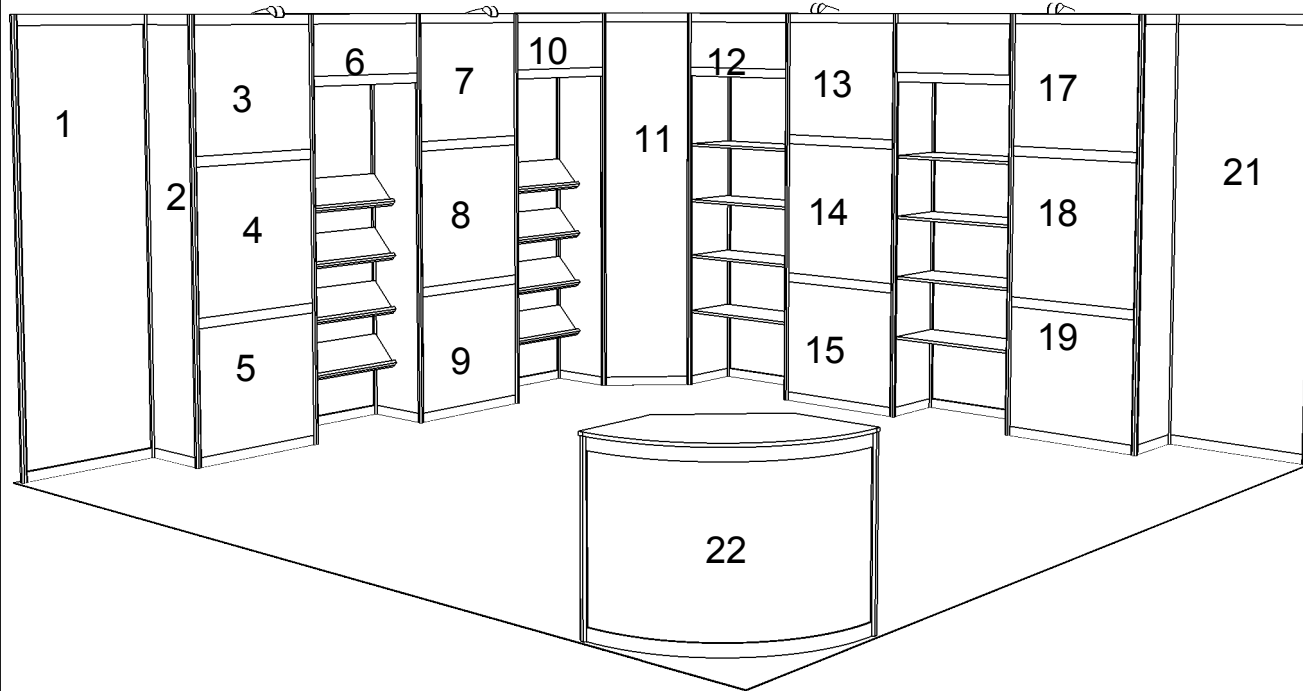

30sqm - 35sqm  
4no Long Arm Spotlights  
4no Fitted lights above Product Shelves

36sqm - 49sqm  
4no Long Arm Spotlights  
8no Fitted lights above Product Shelves  
1no Single Socket 500w

Each stand will have an electrical mains cable leading to an electrical mains box. These units are compulsory and cannot be removed. In all cases we will attempt to minimise the view of these boxes by hiding them away in storage areas or in discreet places on the stand. In European venues, there will be an Additional Item charge for Consumption.
